

## **LQA - QUALITY POLICY**

In LQA Consulting and Environmental Projects S.A.C. we offer integrated environmental consulting services, committed to achieve our customer's satisfaction through the compliance of the requirements applied to our activities and the constant improvement of our quality management system. Therefore, we are strongly committed with the following quality objectives:

- ✓ Guarantee our customer's satisfaction.
- ✓ Assure the compliance of our services throughout constant tracking and control of our projects.
- ✓ Identify our employee's necessities to promote their personal and professional development.
- ✓ Develop mutually beneficial relationships with our providers.
